Food is sometimes homemade at events. This is covered in SANHS Welfare Policy available on the website www.sanhs.org
We are unable to guarantee food free from allergens.

When the new website is available, you will be able to book online for all events.

GRADING OF WALKS

This key is intended as a general guide to the level of difficulty likely to be encountered by participants taking part in SANHS walks and other activities. Keep in mind that a change in weather conditions can make a walk more difficult than anticipated. All walks and activities demand a basic level of fitness, suitable footwear and waterproof clothing.

1 Easy – generally even ground with a few gentle slopes; no special fitness needed. Comfortable footwear required.

2 Moderate – for reasonably fit people, may include unsurfaced rural paths and tracks, moderate slopes, uneven surfaces, steps and stiles. Walking shoes/boots required.

3 Strenuous – for fit, experienced walkers, will include hills, uneven surfaces, tracks and may include muddy terrain. Walking boots and waterproof clothing are essential.

4 Confined spaces – including caves and attics. Locations may be dusty, slippery and dark.

Activity leaders carry out a risk assessment beforehand. Participants are required to provide emergency contact details before taking part in an activity – this information is destroyed by the group leader after the activity has taken place.

MEMBERSHIP 2019

Individual £30 and Joint £41.00

Privacy Notice

- If you contact SANHS about an event your personal data will be passed to the event organiser.
